

## STRAITS OF MACKINAC

July 24 - 27, 2015

What's so special about diving the **STRAITS OF MACKINAC**? Wrecks, wrecks, and more wrecks! Join the Aqua Center on a wreck diving adventure [Sat/Sun (July 25/26)] with Capt. Greg Such of Shipwreck Adventures, a 6-pack dive boat.

Depending upon the number of participants, divers will have the opportunity to dive both the morning and afternoon charters being offered. Wreck Diver and/or Deep Diver certifications may also be offered if enough divers are interested.

Reasonable hotel/motel accommodations are available, and campsites are nearby. Stop in, make your deposit, and start planning your *STRAITS* get-away today.

**COST: \$125.00 per 2-tank boat dive.**  
**Deposit: \$50/2-tank dive due at time of reservation.**  
*Payment in full is due by May 1, 2015.*

All deposits are non-refundable  
 unless the trip is cancelled due to lack of interest or  
 another diver can be found to take your place.

If dives are cancelled due to inclement diving conditions,  
 your charter fee will be cheerfully refunded.

**Lodging, meals, transportation, airfills, and course fees are NOT included. Divers must provide all necessary equipment. Airfills will be available from the dive charter. If you wish to dive Nitrox, you must bring along a sufficient number of tanks for the number of dives you intend to do.**

*Because of the approx. 6/7 hours of driving time to the Straits, tentative plans are to drive on Friday afternoon/Monday morning (July 24/27) if all participants wish to dive both the morning and afternoon boat dives on Saturday and Sunday.*

Yes, I want to go to **STRAITS OF MACKINAC** with Aqua Center!
